To Report On Old Folks' Home

The citizens of the town of Didsbury and district will recall that a little over a year ago a public meeting was called to consider the matter of opening a place for our senior citizens.

The meeting resulted in the appointment of a board, with authority to purchase a suitable building, and to proceed with the opening of the same.

Your board has now accomplished the task for which it was appointed and is ready to report to all our people.

You are therefore cordially invited and earnestly requested to be present at another public meeting to be held in the Lions Hall, Didsbury, on April 22nd at 8 p.m., to hear the board's interesting and splendid report. This is important. Come!

By REV. C. C. ARMSTRONG

What are the symptoms of "spring fever"? There was a time when I thought "spring fever" had reference to a sudden surge of new life, a feverish restlessness, a bustle of activity. After the cold, shut-in days of winter the warm air, the shining sun, the imprisoned muddy waters waiting to be released — all these called to the youthful blood to be up and doing. It meant tidying the yard after the winter accumulation of rubbish, wanting to dig the garden, to get out in the open. Spring fever was the smell of damp earth and the call of the birds and the music of rushing waters.

Now it has come to mean something else, a weariness of body where any chance impulse to exertion must be carefully guarded against. Need a rest old boy, mustn't over-do it you know. Why plant a garden when all that is needed is to spray a whiff of the wife's perfume on the seed catalogue and presto — colour, perfume and no weeds. Spring fever thus interpreted is an utter collapse, loss of energy, inertia of body and soul.

Sombody has come up with a way to distinguish between weariness and laziness. For most of us, our preference is to be a bit vague about it all. After all it is much more respectable, more comfortable and just as effective to be able to claim our spring fever is due to weariness rather than laziness. But to hark back to "the test." It appears that anyone who has a better-than-average vocabulary and yet has not made a success of things must be classified as lazy. The cure would be to take away the dictionary and increase the dosage of vitamin pills, following this up with a kick in the pants, self-administered, every time we wanted to relax.

To add a moral to this tale we need only to glance at the dictionary of spiritual and moral terms. A person who knows such words as regeneration, repentance, consecration, and yet has no accomplishments to show, is the prime example of spiritual laziness. But the cure for this is not to hide the dictionary and to forget all about those disturbing words and how they apply to us. One would hope that spiritual matters would not conjure up visions of things dry as dust, lifeless and tedious, a spiritual more respectable, more comfortable pattern.

When spiritual terms call to mind the freshness of new life, the song of birds under a new heaven, the divine urge to be up and doing for the Master, that's spring fever of the youthful, the Christian type where regeneration means being

Lone Pine W.I. April Meeting

The April meeting of Lone Pine W.I. was held at the home of Mrs. Chris Ehret on the 14th with 22 members and seven visitors present. Roll call was answered with a penny for the box.

The presentation of a life membership was made to Mrs. Ruth Long. Mrs. Pete Schumaker, Mrs. E. Richardson, Mrs. Bert Pross and Mrs. D. B. Woods were each presented with an A.W.I. ring for membership exceeding 20 years.

Bang's Vaccination: The spring drive to vaccinate all heifer calves which were too young to do last winter is expected to get under way very soon. This will affect only those cattlemen or dairymen that had calves born in the late fall and during the winter, and there will be comparatively few.

However, the entire district will have to be scrutinized to ascertain where these calves are located. If you have any heifer calves that are or will be between 4 and 8 months by June 1st, get in touch with your township captain, the man who organizes the last drive, or send the information to the municipal office just as soon as you can so that we can tell the veterinarians about those of you who have heifer calves to vaccinate. Your co-operation will be greatly appreciated.

BRIDAL SHOWER

On Saturday evening, April 3rd, a group of friends gathered at the home of Mr. and Mrs. B. Krueger, where Mrs. W. Miller and Mrs. B. Krueger were hostesses to a bridal shower for Miss Dorothy Ringheim, bride-elect of this month.

Entertainment for the evening included cards, games, contests and singing.

Then Lynne Thompson and Wallace Neufeldt, dressed as miniature bride and groom, brought in a gaily bedecked hay rack loaded with gifts.

Mrs. R. Youngs read an amusing account of the bride's life, written by the mother of the bride, after which Dorothy and Dorn opened their lovely gifts.

As they stood to thank their many friends, a confetti-filled balloon overhead was popped, showering them with the contents.

At the close of the evening a delicious lunch was served.

Letter To The Editor

Editor, Didsbury Pioneer

Dear Sir:

I understand from news reports that the Alberta government is planning to spend \$10,000,000.00 to build 29 miles of highway between Crossfield and Bowden. According to my figures this comes out to approximately \$653.00 a foot. Ask the farmers back in the bush if they can get \$65.30 to build one mile of road?

Yours truly,

EDWIN JACKSON

Discussing Lower
Wheat Prices

There is no doubt that pressure
is being put on the Wheat Board
to cut the price of Canadian wheat.
This may take an intangible form
but nevertheless the feeling is
present in some quarters that it
is the world today, prices should go
down. The wheat producers' wages
come from wheat, however, and a
cut in price is a cut in wages. His
costs of operation are high and
show little sign of declining.

If Canada undertakes a "wheat
war" with the United States this
country cannot win and the farmers
here will be the main sufferers.
The United States has 800 million
bushels of surplus wheat, with a
new crop coming on. That country
is prepared to give away a substan-
tial proportion of its wheat surplus
to the taxpayers of the nation
footing the bill.

If wheat prices slide in Canada
the purchasing power of farmers
would be impaired and that group
furnishes a market for a substantial
proportion of this nation's indus-
trial production. Curtailed farm
buying power is now responsible for
unemployment in implement fac-
tories in Eastern Canada.

When farmers' revenues decline,
unemployment spreads throughout
the whole nation. Families cannot
purchase meat and dairy products
when the farmers are unemployed
and the nation's economy starts a
downhill course.

The surplus wheat problem in
Canada is not due to lack of sales.
The Wheat Board in recent years
has sold record volumes of grain,
exports which have been away
above the long-time average. The
trouble as been caused by super-
abundance production. Farmers
have turned out too much wheat for
their own welfare. They are now
being threatened with a financial
penalty for being so productive.

C.N.I.B. FILMS SHOWN
AT L.O.D.E. MEETING

Following the last regular meet-
ing of Mons Chapter, L.O.D.E., a
representative from the Canadian
Institute to the Blind, showed a
film which had been made by the
institute in Calgary. The repre-
sentatives present were, Mr. Hewlett
who spoke and Mr. Parker who
showed the film. Mrs. F. Nicholl
moved a vote of thanks to the two
representatives.

Mons Chapter won first prize in
the scrap book competition for the
second year. This is an open com-
petition to all chapters in the prov-
ince. The scrap book contains the
activities of the members during the
year.

The editor, Mrs. Ross Youngs,
and her helpers, are to be com-
mended on the fine effort they put
in on the book.

"SORRY YOU'RE OVER 40"

"There is an increasingly sinister
attitude in Canadian industry to-
ward the man over forty." That
accusation comes in a letter to The
Financial Post from a Canadian
now employed in the United States.
For some time he has been trying
to get a job in Canada.

As an executive with a New York
firm he has had wide experience
both in the U.S. and Canada. Yet
when he approaches a Canadian
he invariably gets the "Sorry old
man, you're over forty."

With all respect to youth, there is
still no substitute for experience.
There is something wrong some-
where if there is no place for older
men in Canadian business, let alone
those in early middle age.

DISTRICT NEWS

M.V.B.C. NEWS

Sunday afternoon saw a good United Missionary Church to listen to the baccalaureate service taken by Rev. Bob Simpson. Six seniors in gowns and caps listened attentively to the challenging message delivered by this well known speaker. Rev. Taylor, president of the college, was in charge of the service and lead the procession. Mrs. Ruth Kirk played the music suitable for the occasion. Rev. Simpson based his remarks on Matthew 5:41, urging the necessity of willing service that goes further than what is required, both in the church work at home and abroad.

Packing! Packing! Up and down stairs, looking for baggage that has been stored for some time, and extra boxes for the amount of material accumulated during the winter. So, within a day or two, voices heard so frequently, will not be heard. Our students are strongly desirous to return next winter, and each one is trying to bring another with him upon his return in the fall.

Mrs. M. A. Finlay, mother of Mrs. D. M. Taylor, is a guest in the president's home. Mrs. Finlay has been a staunch supporter of the church college throughout its existence, and still sits as a board member, showing the keenest interest in the work done here, and has the broadest outlook for the youth of the day.

Mr. Lusk brought the work of the Choral Society to a close on Friday evening when he presented the work done during the winter in the Tabernacle on the College grounds. The choir rendered, most acceptably, the difficult oratorio, "The Holy City." Mr. Lusk is to be commended for the work done during this brief time. After the concert the entire group met with several friends in the college dining room for a final time of good fellowship. Mr. Lusk was presented with a gift and the choir also acknowledged the excellent work of Mrs. Taylor as pianist. We trust the choir will be more largely attended next year.

On Wednesday of this week the A. Capella choir will begin its annual tour in parts of Alberta, several of the United States and British Columbia.

Mrs. Kagey, mother of Wayne Kagey who graduates with his Bible diploma this year, is a guest at her son's home during the commencement time. Mr. and Mrs. Dietz, parents of another graduate, Alfred Dietz, are also here with him in his home. Other friends of graduates will be coming on Monday.

Once more, may we thank all the friends of the College for their good support this winter in bringing provisions for the College. This summer some will still be living on the campus, and as friends put in their gardens, raise their chickens, etc., we urge them to think of the College and its coming winter needs. Thank you.
